MEETING MINUTES

California Commission on the Status of Women and Girls Executive Committee Meeting

February 12, 2018

11:00am-1:00pm

**CA Commission on the Status of Women and Girls
900 N Street, Room 390
Sacramento, CA 95814**

One or more of the Commissioner(s) will participate in this meeting at the teleconference site listed below. Each teleconference location is accessible to the public and the public will be given an opportunity to address the Executive Committee at each teleconference location.

The public teleconference site(s) for this meeting are as follows:

- State Capitol, Room 3123, Sacramento, CA 95814
- Rinconada Library, Leland Manor Room, 1213 Newell Road, Palo Alto, CA 94303
- Temecula Public Library, Study Room, 30600 Pauba Road, Temecula, CA 92592

I. Welcome and Call to Order – Chair

After some logistical complications, the meeting was called to order by Acting Chair Wilkins at 11:26am.

II. Roll Call

After welcoming everyone to the telephonic meeting, Acting Chair Wilkins asked Stephanie Tseu to call roll. Acting Chair Wilkins, 2nd Vice Chair Assemblymember Shirley Weber, and Commissioner Marina Illich were present. Commissioner Ofelia Willis is unable to join the meeting and there is a vacancy in the First Vice Chair position.

III. Establish Quorum

A quorum was established after roll call.

IV. Approve November 27, 2017 Executive Committee Meeting Minutes

Acting Chair Wilkins gave Commissioners a couple minutes to review the draft meeting minutes from the November 27, 2017 Executive Committee Meeting. After review, 2nd Vice Chair Assemblymember Shirley Weber motioned to approve the minutes and Commissioner Marina Illich seconded the motion. Commissioners voting “aye” – Acting Chair Alisha Wilkins, 2nd Vice Chair Assemblymember Shirley Weber and Commissioner Marina Illich. There were no “no” votes.

V. Personnel Update

a. Executive Director

Acting Chair Wilkins provided an update regarding the vacant Executive Director position as well as current CCSWG staff compensation. She spoke with an executive search firm that declined with work for the Commission pro-bono but offered great suggestions for where to find qualified candidates when the job gets posted again. She will be reaching out to Senator Mitchell's office regarding the possibility of her office assisting with some background work suggested by the executive search firm. After discussion, the Executive Committee decided not to post the Executive Director job announcement until after the existing staff compensation has been addressed.

b. Staff Compensation

Acting Chair Wilkins also updated the Executive Committee on what steps have been taken to adjust the pay of current staff to align with the work being performed, not just the work on their duty statements. Out of Class compensation is not possible in this circumstance however, Acting Chair Wilkins is working with DGS HR to reclassify the Fiscal and Operations Director and the Policy Director positions to Specialist positions to accurately compensate staff for their actual workload. There was discussion regarding whether this approach is the best long term approach as it may change some of the job duties of the Executive Director position. Additionally, Acting Chair Wilkins is pursuing a onetime \$500 bonus for each of the staff as acknowledgement and recognition of the work performed thus far without an Executive Director and other support staff. An update and full proposal will be brought the March 19 Full Commission meeting.

c. Commission Calendar

The Commission calendar was provided as a resource only. Attention was brought to the March 19 meeting as it was moved from March 12 due to the Legislature's Woman of the Year celebration.

VI. Executive Committee Standing Items

a. Fiscal & Operations

i. Budget and Accounting

Fiscal and Operations Director Emily Van Atta provided an update to the Executive Committee on the Fiscal and Operations of the Commission. Governor Brown's January budget contained approximately \$552,000 for the Commission. This is the same amount of money as last fiscal year. Staff will be monitoring the budget process going forward to ensure the amount remains the same.

A zero balance bank account with Bank of America has been created and staff will be working to put a “donate” button on the Commission’s website. After a meeting the Coastal Commission for advise on how they manage their Zero Balance Bank account and fundraise, staff was encouraged to explore how to obtain a donation box on franchise tax board tax forms as a way of fundraising, a method the Coastal Commission has had success fundraising through.

For the remainder of this year, should the Executive Director position remain vacant through the end of the fiscal year, the Commission will have approximately \$80,000 in budget savings. The Fiscal and Operations Director, with the Administrative Subcommittee will identify how to encumber this money prior to June 1st to ensure it is not lost. Suggestions for how we could spend the surplus were given, including: renewing the contract with UC Davis for Danielle Deveau-Sires with Million Women Mentors CA.

The Executive Committee voted to authorize staff to negotiate the 2018/2019 contract, not to exceed \$35,000, with University of California, Davis regarding Million Women Mentors. Acting Chair Wilkins made the motion and Assemblymember Weber seconded. Commission Illich voted aye and there were no no votes.

Another option is to pay for 1-2 STEM town halls similar to what the Commission did last year, but offer less money. This will require a vote of the full Commission and will be added to the March 19 Full Commission meeting agenda.

ii. State Leadership Accountability Act Overview

The State Leadership Accountability Act is a report that all state agencies are required to fill out. The Commission is delinquent but with the current staffing level, it was agreed that this report would not be a priority until after the March 19 Full Commission meeting. Then the Administrative Subcommittee would work with staff to complete.

iii. Governance Policy Review

Should the job duties of the Executive Director position change, the Governance Policy would need to be amended as well as those duties are housed in the Governance Policy as well.

iv. Commission Secretary

Commission staff discussed that given the workload and responsibilities of the office, an office technician would be an ideal fit to fill the role of Commission Secretary. This position would perform many of administrative duties that current staff are doing for Commission meetings, announcements, and general office upkeep. This proposed position will be brought to March 19 Full Commission meeting. Acting Chair Wilkins stressed that it is not financially prudent to have the current staff performing these duties and looks forward to reworking the current staff responsibilities and presenting those, with a supporting budget, to the March 19 meeting.

b. Programs and Policy

i. Pay Equity Task Force

Policy Director Stephanie Tseu updated the Executive Committee on the Commissions programs and policies. The Pay Equity Task Force voted to approve several documents at the January 10 meeting. The next Pay Equity Task Force meeting is scheduled for March 7 at the same location with videoconference locations in San Francisco and Los Angeles. All documents must be approved at the March 7 meeting so materials can be shared on the website. The website creation has not started yet but should begin soon. Additionally, the Senate office of Research finalized their case study on the Pay Equity Task Force. Senator Hannah-Beth Jackson's office has the study and the Pay Equity Task Force will be reviewing it at their next meeting.

ii. STEAM

Policy Director Stephanie Tseu has taken over the STEAM policy issue. Two new monthly STEAM calls have been instituted. The first call is a small group of STEAM experts who discuss what and how the groups should work together. The other call is with a larger group of STEAM experts. The larger group's first call will take place February 14.

iii. Website Portal

Commission staff has reached out to California State University, Sacramento to see how the Commission can secure a team of students who are in need of a student project to focus on the redesign and content building out of our website. If there are extra funds, we can also pay Department of Technology \$5,200 to design up to 100 pages (we have 98 pages). An update will be provided at the March 19 Full Commission meeting.

iv. Legislation

As a result of priorities and lack of staff, the Research/Legislative Subcommittee has suggested prioritizing the work of the Pay Equity Task Force and STEAM ahead of legislation. Staff will be following and engaging in legislation in May. The subcommittee will continue holding regular calls during this time though.

v. Communications and Outreach

Staff will be providing Commissioners with monthly updates via email. Additionally, the newsletter was sent out on February 5, 2018. The newsletter is now scheduled to be sent out the first Monday of each month.

VII. Public Comment – including matters not on the agenda*

Omar Shepherd a Project Manager in the STEM/CTE Unit of the Orange County Office of Education spoke about Orange County's desire to do girls focused STEM activities but expressed difficulties for the school district to girl only events. He came to the Commission hoping to raise this issue and get advice on the topic. Commission staff will follow up with Mr. Shepherd offline.

VIII. Closed Session if necessary

No closed session was necessary

Meeting was adjourned at 12:50pm.

The Commission on the Status of Women & Girls
Duty Statement

Employee:

Position: 329-001-5382-004

Classification: Executive Director (Exempt)

Working Title: Executive Director

Location: Sacramento, CA

The California Commission on the Status of Women and Girls (CCSWG) works in a culturally inclusive manner to promote equality and justice for all women and girls by advocating on their behalf with the Governor, the Legislature, and other public policymakers and state agencies; and by educating the public in the areas of economic equity, which includes educational equity, access to healthcare, which also includes reproductive choice, violence against women and other key issue areas identified by the Commission as significantly affecting women and girls.

SECTION A: GENERAL DESCRIPTION

The Executive Director is hired by the Commission, reports to the Commission, and serves at the pleasure of the Commission. The Executive Director shall perform the duties outlined in the Executive Director Duty Statement and other duties as the Commission assigns. The Director shall institute, direct, and monitor proper management, fiscal, and personnel controls as detailed in Government Code, California Code of Regulation, Commission By-Laws and State of California guidelines and policies for state agencies.

In order to reduce the Commission's dependence on state funding and enable the Commission to fulfill its mandate, a priority duty of the Executive Director will be to develop a comprehensive strategy to attract financial support ~~from private donors~~. The Executive Director is responsible for leading the Commission in the development and execution of strategic plans, policies, and processes to further the Commissions goals.

The Executive Director shall perform the duties as outlined in this job announcement and other duties as assigned by the Commission.

Supervision Received

The Executive Director is directly supervised by the Commission Chair but takes workload direction from and generally reports to 17 Commissioners.

Supervision Exercised

The Executive Director supervises two Staff Service Manager I (Specialist) positions and an Office Technician.

MEMORANDUM

Date: June 11, 2018

To: Executive Committee

From: The Strategic Planning and Staffing Subcommittee

Subject: **Recommendation for Hiring a Strategic Planning Consultant**

After several in depth conversations, we strongly recommend the hiring of an outside consultant to lead the Executive Committee **and** the new Executive Director through the strategic planning process. An unbiased professional planner brings 3 strengths:

- A comprehensive evaluation of the Commission's needs and objectives;
- The development of an effective planning timeline;
- The preparation of a written strategic plan.

Given the important role of the consultant in developing the plan, we urge the Executive Committee to allow sufficient time to evaluate thoroughly each interested firm. A second document outlining key issues in hiring a planning consultant is attached for your review.

The Commission intends to increase its effectiveness in carrying out its mandate through the hiring of a new Executive Director. We believe that participation of the new Executive Director is critical to the strategic planning process. The Executive Director's commitment to the new plan will greatly increase the Commission's ability to fulfill its important mission. Further, her partnership with Commission staff in the planning process will allow the development of a cohesive team.

In short, we request that the Executive Committee follow parallel courses in hiring the new Executive Director and in developing the strategic plan. Staff and Commission members can outline Mission and Vision statements in advance to facilitate hiring in both cases. Since sufficient funding appears to be available in the new budget year for both positions, we believe that timeline pressure should not be given more importance than quality.

Thank you,

The Strategic Planning and Staffing Subcommittee

Proposed CCSWG Meeting Calendar

SUMMARY OF THE ISSUE(S):

For almost a year now, the Commission has kept a regular schedule of meetings, alternating between Full Commission meetings and Executive Committee meetings every other month. Due to difficulty of schedules, there are no scheduling Commission meetings during the legislative recess (depending on the year, either July or August) and December. Having these regularly scheduled meetings has allowed Commissioners to plan their schedules around meetings resulting in greater participation by Commissioners. Based on this and feedback from Commissioners, the attached calendar continues the exact same schedule as the previous year.

RECOMMENDATION:

Information and discussion only.

Programs, Policy and Legislation

SUMMARY OF THE ISSUE(S):

This is an update on the programs, policies and legislative priorities of the Commission.

RECOMMENDATION:

Information only.

BRIEF HISTORY OF KEY ISSUE(S):

Pay Equity Task Force

The Pay Equity Task Force is currently attempting to finalize outstanding documents that, once finalized and approved, will complete the packet of resources developed by the task force. Unfortunately, the task force has been unable to identify a date where all members can attend and participate in the meeting. The Co-Chairs are discussing whether to have three meetings, two telephonic meetings to finalize outstanding documents, then a final meeting where the task force can celebrate together all their dedication and hard work.

STEM

Stephanie Tseu, Policy Director, is working with Commissioner Buckland to create a panel presentation at the CA STEAM Symposium, taking place October 28-29, in Long Beach, CA. The initial concept for the panel would be 3 STEM field professionals who write or consult with TV shows to ensure the accuracy of STEM field being portrayed on screen. The idea is to show girls and young women that STEM jobs can be social and use this as an example of how they can still be involved in the arts while focusing on STEM.

The flyer for the STEAM Symposium is provided as an attachment to this update.

The STEM Subcommittee, Commissioner Alcalá and Commissioner Hines, are working to schedule regular, monthly subcommittee calls.

DELTA Impact

The Commission was asked to join the leadership team for the DELTA Impact project. The project proposal summary is attached. The California Partnership to End Domestic Violence is the lead on

California Commission on the Status of Women and Girls

the project and just hired a staff member to oversee this program. Now that they have a fulltime employee dedicated to the project, they will begin convening quarterly meetings for the leadership group. Stephanie Tseu, Policy Director, will work with the Sexual Assault Subcommittee to ensure that the Commission is represented at each meeting.

SAC Meeting

The State Advisory Committee on Sexual Assault Victim Services (SAC) met on Friday, June 1 in Burbank, CA. Unfortunately, Commissioners were unable to attend so Stephanie Tseu, Policy Director, joined the meeting via teleconference. It was difficult to hear many of the updates due to poor quality of the teleconference equipment. The next meeting will take place in October. Once a date is finalized, Stephanie Tseu will send that information to the Sexual Assault Subcommittee with the hope that one of those members can participate on the Commission's behalf.

Legislation

SB 1150 (Jackson) was held in Senate Appropriations Committee and, due to deadlines, will not advance this legislative session.

SB 320 (Leyva) will be heard in Assembly Health Committee on June, 12. Commission staff is prepared to answer any technical questions regarding the Commission's role put forth in the legislation. The bill was amended on June 4 to add the Commission as the grant administrator. At the May, 14 Full Commission Meeting, Commissioners voted, unanimously, to support amending in the role of the Commission. Additionally, Commissioners voted to support the policy as well, with another unanimous support vote.

Bills mentioned during Mandy Benson's Commission presentation – Policy Director, Stephanie Tseu, will be working with the Legislative/Research Subcommittee to evaluate the harassment bills discussed by Mandy Benson at the May 14 Full Commission Meeting. Commissioner Erickson requested that those bills be reviewed and presented at the next Commission meeting on August 13.

Re: SB 320 (Leyva) – SUPPORT

Dear Assembly Member Wood:

The California Commission on the Status of Women and Girls (CCSWG), an independent, nonpartisan state agency advocating for over fifty years protecting and improving opportunities for California women and girls, is pleased to support **SB 320**. As an independent state agency, CCSWG has the authority and staff capacity to carry out the grant administrator function assigned to it in SB 320, as amended on June 4, 2018. Additionally, with the funding guarantee for the hiring of staff to oversee the mandate, CCSWG is confident that can complete the mandate required of it.

SB 320 would require CSU and UC campus health centers to provide medication abortion services to students who request it. Medication abortion is safe and extremely effective, with only 3 in 100 patients needing to have a follow-up, in-clinic procedure to complete the abortion. Medication abortion services, provided on campus, would allow students to seek more robust medical services from a health center they already know and trust.

The Commission on the Status of Women and Girls believes this bill will allow students to focus on their future, without the added financial and logistical barriers of seeking reproductive care off campus. For these reasons, the Commission on the Status of Women and Girls is proud to support **SB 320**. If you have additional questions, please do not hesitate to contact our office at 916-651-5405 or Stephanie.tseu@women.ca.gov.

Sincerely,

Stephanie Tseu
Policy Director
